Dear Dr. Abdulmawjood:

Congratulations! Institute of Veterinary Food Science, Justus Liebig University Giessen Laboratory has been added the AOAC Research Institute list of approved independent laboratories for validation studies for the *Performance Tested Methods*SM validation program.

The laboratory address, along with your contact information and the laboratory's testing specialty will be listed on the AOAC website as microbiology.

The CV's of the Laboratory Director and Lead Analysts are kept on file along with the laboratory's accreditation certificates and scopes; should these change, please submit the updated documents to remain an independent laboratory for the AOAC Research Institute.

We look forward to working with you and your laboratory on method validation studies in the near future.

Kind regards,
